TOPCON AT-G SERIES

Topcon offers a wide range of automatic levels for the land surveyor, civil engineer and contractors. All AT-G series levels feature a magnetically-dampened compensator hung by four special mylar ribbons having superior resistance to cold, heat and shock. They meet or exceed our rigid waterproof/dustproof standards.

The AT-G4 and AT-G6 have been newly redesigned and are now available at even lower prices! The AT-G1 model features a 360° glass horizontal circle using a 25x magnification microscope to read the circle.

- Waterproof Sealed Telescope Construction
- Angular Reading 10 Minutes
- New Ergonomic Design
- 2 Speed Focusing (AT-G1/G2A)
- Clampless Fine Horizontal Adjustment
- Fast Instrument Set-up
